The Dock Assignments have been finalized and shared with Don to be uploaded to the website. They can be found under ‘MEMBERS ONLY’ 2025 Well Assignments.

Cradle day will be May 10th, but could be changed, under the discretion of the Commodore and Dock Director, based on the ground conditions of the storage area.

Members who are using this day for volunteer hours, please reach out to me directly to be kept in the loop if changes need to be made.

Also I am looking for Members who are interested in assisting with launch. Please reach out directly to me with your experience.

*Thank you,
Jordan Durocher*
