CRADLE DAY - OCTOBER 18TH @ 8:00 AM

We're asking that all vehicles—except those being used by cradle cart drivers—remain off the property until all cradles are in place.

I have a list of volunteers from last year, but we're putting out a call for additional volunteer drivers and vehicles. Al Johnson, whose truck was used in the spring, is unavailable this time, so we'll need at least one more driver and vehicle to help.

If you're able to assist, please contact me at **705-716-7320** or blainemckibbin@gmail.com.

Thank You
Blaine
