Cedar Island Yacht Club

**The Muskoka Project**

Members will be given the opportunity to purchase a high quality ‘resin’ Muskoka chair for Cedar Island Yacht Club.

Rationale

We will be constructing a circular outdoor gas firepit and would like some nice furniture to enhance the enjoyment of this new outdoor gathering place, or use on our deck.

We are asking for a donation of \$200.00. For this generous donation, a chair will be purchased and affixed with a plaque that will be engraved any way you wish. It could be a memorial plaque or could commemorate a special milestone in your life. (Anniversaries, birthday milestones) Or it could be a fun message to share with others. Eg. “Kevin would like you to sit and relax a bit.” Be creative and have some fun!

Why not purchase a couple?

Kevin shared the unfortunate news that his father, George, was admitted to Hotel Dieu Hospital last night following a fall. He has suffered a fractured hip along with a few other complications.

Please keep George in your thoughts and prayers.

## NEW MEMBER APPLICATION

MEMBERS - Please review the information for Membership. All members have a responsibility to advise a member of the Executive if, in their opinion, the applicants are not suitable for membership. Please do so before Friday, May 9th.

**Robert Bedard & Berthe Giguere** are applying for Social Membership. Robert & Berthe are both retired and enjoy golf, cycling and sailing. They are friends of Max & Anna Pichler and live in Kingsville. Robert is interested in crewing.

A big thank you to everyone who carved out time to attend the budget meeting! This club runs on the energy, passion, and occasional caffeine-fueled determination of its members and it shows.

Special thanks to our project presenters: Brian for championing Youth Sailing (future Olympians, anyone?), Kevin for taking care of our beloved Property, Jordan for zapping us into the future with new Electrical Pedestals, and Walter for docking us with some exciting new options. You're all legends.

We've got a lot on deck this year — quite literally! New pedestals are coming in (finally!), designed to keep members and guests safe, looking sharp, and built to outlast our longest dock tales. A cozy new fire pit is on the way too, complete with Muskoka chairs. If you'd like to leave your mark (or a witty legacy), feel free to donate \$200 for a personalized plate — whether it's heartfelt, hilarious, or somewhere in between.

We're also sprucing things up with new gardens, and Youth Sailing is getting a couple of fresh boats — shoutout to our Commodore for generously donating one!

Yes, there's a hefty to-do list this year... but it's all going toward making our club better, brighter, and even more "us." Cedar Island members may have opinions (and aren't afraid to share them!), but at the end of the day, it's all about making this place amazing for *everyone*.

Cheers to a big year ahead!

*Sandy Wright*
