## THINGS YOU SHOULD KNOW FROM THE DOCK POLICY AND PROCEDURES

- There will be no extra charges (hydro) during winter storage for anyone working on their boat except in extraordinary circumstances and at the discretion of the Executive. No member shall leave an unattended power cord attached to his or her boat for any reason, due to the risk of fire. Failure to comply will result in a charge of \$100.00.
- It is the responsibility of each dock assignee to paint their dock using paint supplied by the Club before launch, and to the specifications of the Club. The Club is not responsible for maintenance, repairs, or placement of bumper boards. Failure to remove bumper boards by November 1st will result in a charge of \$50.00 to the member.
