

Set Sail on a Legacy: Sponsor a Memorial Chair at Our Yacht Club Fire Pit

We're bringing warmth, community, and memories to life with a brand-new GAS fire pit gathering space at the Cedar Island Yacht Club—think cozy nights under the stars, crackling flames, great stories, and laughter echoing across the water.

Now is your chance to leave a legacy while enhancing the spirit of our club.

We're inviting members to sponsor one of eight Adirondack chairs for \$200 each, which will be permanently placed around the fire pit. Each chair will feature a tasteful memorial or recognition plaque with your name, your family's name, or a tribute to someone special.

Why Sponsor a Chair?

- Celebrate a loved one or commemorate your family's membership.
- Be part of a lasting, scenic addition to the club.
- Enjoy the fire pit you helped bring to life, season after season.

Let's make this space a new tradition. The fire pit will be the heart of our club's social life—perfect for post-sail chats, marshmallow roasting, fall gatherings, and summer sunsets.

Interested? Reserve your chair today and be part of something meaningful and beautiful.

Limited Availability: limited chairs available—first come, first served!

Deadline for order is Friday May 9th but we have lot's of interest....they are going fast so get yours ASAP to avoid disappointment

Cedar Island Yacht Club

The Muskoka Project

Members will be given the opportunity to purchase a high quality ‘resin’ Muskoka chair for Cedar Island Yacht Club.

Rationale

We will be constructing a circular outdoor gas firepit and would like some nice furniture to enhance the enjoyment of this new outdoor gathering place, or use on our deck.

We are asking for a donation of \$200.00. For this generous donation, a chair will be purchased and affixed with a plaque that will be engraved any way you wish. It could be a memorial plaque or could commemorate a special milestone in your life.

(Anniversaries, birthday milestones) Or it could be a fun message to share with others. Eg. “Kevin would like you to sit and relax a bit.” Be creative and have some fun!

Why not purchase a couple?
