

## Rachel's Proposal

### *ASSOCIATE MEMBER*

Associate Membership allows Full Members to change their status. The change may be granted to a Full Member:

- a) ~~Whose principal residence is beyond a 75 km radius of the club, and/or~~ Who is stepping away from CIYC for personal reason.
- b) ~~Whose health precludes physical work, he/she does not own a boat in whole or in part and has completely given up boating.~~

The member must make a written application to the Executive stating the reason for the change.

Associate Members will maintain their existing seniority (but not accumulate additional seniority), will not have to perform work hours and will not be required to pay any initiation fees if they return to Full Member status.

Associate Members wishing to return to Full Membership, complete with full docking privileges part way through any boating season, will be subject to the annual Full Membership and levies, and submit payment in full, prior to acceptance of their change of membership status. Dockage and work hours will be prorated in accordance with the Billing Policy. The Associate Membership fee already paid for the season will be credited toward the Full Membership fee.

When an Associate Member returns to Full Membership status, he/she cannot displace another Full Member from his/her dock assignment regardless of seniority.

An Associate Member shall enjoy the following privileges:

- ~~Have full use of the Club facilities~~
- Receive all Club communications
- Have the right to speak at all meetings open to the general membership
- Be exempt from performing work hours

An Associate Member may not:

- Vote
- Hold office
- Rent dockage
- Haul out, launch, or store vessels at the Club.
