WE HAVE A

PROBLEM

Food continues to be taken/used from the fridges. Just recently a large head of romaine lettuce was taken and cheese belonging to someone else was used. This is not the first time. It's disturbing that others think it's O.K. to take or use items that don't belong to them. This is a continual problem.

****Subject: Request for Volunteer Yacht Owners for Korean Church Event on September 14th****

Dear Cedar Island Yacht Club Members,

I am organizing a special event for members of my Korean church on Saturday, September 14th, from 10:00 AM to 12:00 PM. Due to the high number of participants interested in joining, I am seeking volunteer yacht owners who would be willing to offer their yachts for a one-hour sailing experience during this time.

The plan is to provide an opportunity for a group of 5-6 church members to enjoy a short yacht ride, departing once and returning within the hour. All necessary safety precautions will be in place, and each participant will have signed a waiver form acknowledging their understanding of the risks involved as attached.

If you are available and willing to volunteer your yacht for this event, please contact me at your earliest convenience.

Thank you in advance for your support in making this event a memorable experience for my church members.

Best regards,

Jeongsoo Kim
Member of Cedar Island Yacht Club
