Property Report

The following are activities that have been completed or ongoing in relation to the property of CIYC:

1. Burst pipe under the Breezeway replaced.
2. Staining of Breezeway deck (50% complete).
3. Yard hoses replaced.
4. Lawn cutting contracted (to Mark Woodrow).
5. Yard Cleanup Day was completed including removal of leaves from yard and eaves troughs, weeding of gardens and cutting of weeds and removal of brush from the banks of County Road 50.
6. Removal of chain link fence on the North border with neighbouring property.
7. Removal of trees in the location of the old fence (pending consult with neighbor).
8. Extension of the existing wood fence to cover the gap between it and the garden shed (ongoing).
9. Removal of hazardous waste by disposal bin. It is proposed that disposal of hazardous waste on the property be discontinued as current facilities are inadequate. Members will be responsible for disposing of their own hazardous waste.
