- We are looking for volunteers, eligible for work hours, to help supervise during Youth Sailing. The program runs Monday to Friday during July and August. We schedule at least one adult, with another adult on call, for each morning and afternoon to be present at the Club to assist the instructors with attendance, be there if a child is waiting for a parent to go home, monitor the marine radio when boats are on the water, etc. Your time would also entail making sure the clubhouse and bathrooms are clean, dispose of garbage and recycle, etc. If you are interested in helping out, please contact Shelley Lamoureux at 519-903-6861 or shelleylamoureux@gmail.com for more information.

Thanks, Shelley

- Whoever took the club dish towels home to wash, please return them. There are only 4 left.

Thank you, Judi Lacey
