

Building report June 2024

Work completed

Water meter.

The water meter has been upgraded. A new reader was placed outside of the building by the air conditioner.

Toilet paper.

A backup toilet roll holder has been placed above the dispenser in use. When filling the dispenser unit please replace the roll in the backup from the storage room for the next person.

Paper towel and soap dispensers.

The paper towel and soap dispensers have been replaced in the bathrooms, kitchen and the stock room cleaning area at no cost to the club. The soap is a cartridge that is replace when needed. Backup towels and cartridges are in the stock room.

Ice.

The ice freezer has been restocked for the season. The sign-up sheet is inside the freezer. Don't forget to note your usage.

Cleaning.

Thank you for all how have helped with the claning of the club house. Most of the jobs have been completed.

Internet

Bell has informed us that they will be installing a new service line to the club at no cost. Waiting for them to book the installation.

Custodian

The youth sailing is going to take on the custodian duties during the summer. The sign-up list for those who need to complete hours is on the board.

Future projects.

Painting of the pavilion. The bottom of the posts needs to have the stains painted over and the whole unit needs a fresh coat of paint.

Rack for the flagpole. Make support brackets that can be used to hold the flagpole during the winter months

Shelves in the club storage shed. Install shelves to make better use of the storage shed

Organize the garden shed and tool shed. Move items that do not belong in the tool shed and garden shed to the club storage shed.

If anyone sees anything that needs my attention, please let me know so it can be added to the work to be done.
