

## Report Youth Sailing and Other Items

### 1 Youth Sail

Although not finalized ( pending final confirmation from the Treasurer) it looks like the Youth Sail 2022 camps, after expenses and hold backs for amortization etc will net the club..... \$11,500 ..... that is the equivalent of 383 work hours ..... not bad

### 2 Strategic Plan

The final Plan is attached. Please read it. This represents the analysis done by membership and has been presented to the Commodore Elect.
