

## Commodore's Report

We need to focus on our succession planning. Can everyone submit their plan for next meeting? Who they want to appoint, who will take over for them when they step down.

We have put in place what we need in order for the situation at the annual meeting never happens again. Treasurer will include a statement on invoices that says accounts need to be paid seven days prior to a meeting, launch or haul out.

Treasurer will let Secretary and Commodore know if anyone hasn't paid their dues prior to a meeting, launch or haul out. Commodore will address member.
