

Adult Learning Report 2022

Boats

C&C 25MK II (Tig)

Overall condition is good, ready for 2023

C&C 25MK II (Tenacious)

Boat was generously donated to the club by Bob Morrow

Numerous repairs are well under way. The boat will be re-powered with an outboard similar to Tig. We hope to have the boat sea-worthy and Transport Canada compliant for use this coming summer.

Instructors

Rachel P. and Warren R. are certified to teach Start Keelboat Sailing (SKS) thru 2024

Frank F. certified to teach courses up to Basic Cruising (BC) thru 2027

L2S committee members

Walter Cooper

Rachel Park

Warren Ritchie

Frank Foote

Instructor development

We are looking into hosting another recertification clinic in 2023 so that Rachel and Warren can certify to teach Basic Cruising. Walter C. can also recertify if we hold a clinic.

Students

In 2022:

We held 2 BC courses with 6 students completing the program (2 withdrew). Of these 1 graduate has joined as a full member.

We held 1 SKS course with 4 students completing the program. Of these 1 has joined as a social member.

For 2023:

We currently have a waiting/applicant list for about 40 people.

We expect to teach 1-2 BC groups and 2 or more SKS groups in 2023.

New for 2023

We will offer PCOC to BC graduates.

We may also offer VHF radio operator certification this year as an add-on to BC or SKS.
