BAD MOON RISING REGATTA

**GET IN BEFORE THE BAD MOON RISES
AUGUST 9 • STARTING AT 3 PM**

The afternoon race is going to be one for the books!

Join us for an exciting day on the water at the Bad Moon Rising Regatta. After the race, we'll keep the good vibes rolling with chili and hotdogs or chili cheese hotdogs served up on the deck, followed by plenty of laughs as the sun goes down.

Just remember—you've got to make it in before the bad moon rises! If you're afraid of the dark, you might want to sail fast.

Bring your kayaks, canoes, paddle boards to the Club and paddle up the creek every Thursday at 6 pm in August.

A huge shout out to Brian Isaacs, Mike Sealy and Doug Hennessy for their work on the floating docks and kayak launch to make it easy to get on the water not in the water.
