## Work Hour Opportunities

Looking for members interested in regular cleaning of our clubhouse and washrooms throughout the summer. There are many weeks between launch and haul out, providing many opportunities to complete your work hours.

You would not be committed to work the entire 27 weeks! However, if there were a couple weeks that you would be available-essentially once a week, that would be great!

Best days would be early in the week-after the weekend, or before the next weekend.

Please contact Kevin if you would like to learn more.

Ok it is short notice, however the delayed launch has affected the schedule.

Beginning at 8 am.

There will be a list of jobs posted at the club.

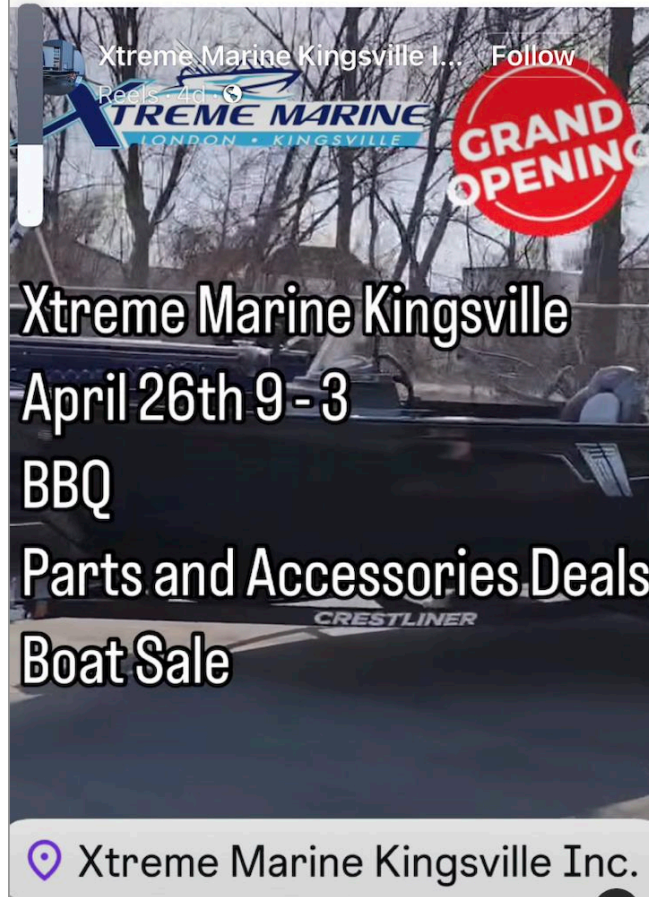

If required, there may be Spring Clean-up Part II on May 11. This is cradle day.
