

Vice Commodore/Property Officer June 2023 report

Vice Commodore

- Flyer for Sail Past created several versions latest one Sunday morning May 28 submitted to commodore. So far, only Dave Wilson lined up for blessing of the fleet ceremony. Wondering if piper should be included again? What is the board's thoughts?
- Couldn't find the Work Hours log book to record work hours.
- A few posters regarding food served not being inspected were created. Wondering if we need larger ones or more of them?
- A few more reciprocal letters came in. Will be printed and put in the binder next week.

Property Officer

- Boating Ontario Clean Marine program well underway. We started off with a Silver rating at 77.63%. The invoice for audit and the flag was issued: \$311.37
- The quote for gate repair is in: \$2750.00 plus HST. I told DorCo to proceed to schedule the work. No date yet.
- The new shed is be built, expecting to be installed 1st week of June.
- Only a few people showed up for Clean-up Day. But we got the yard cleaned up and took a load of items that couldn't go in the bin to the transfer station along with the used oil and antifreeze that was left in the disposal pails by the garbage bin.
- A yard of brown mulch was picked up and left in the trailer in the parking lot for the planters around the club.
- Working on spreadsheets for recording washroom and club cleaning. They should be posted next week.
