If anyone is looking for an outboard or inflatable contact Paul Cairoli at 519-733-0522. Ontario Sail is hosting a sales event this Saturday.

Their newly designed Great Lakes Coach Boat will be on display. This boat was designed with the help of Violet and Chris their coaches and powered by Suzuki.

Demo units are on sale from Suzuki and Suzumar and new engines can be purchased along with the full line up Melo Craft Boats.

If you are in need an engine from 2.5 to 250 HP or a roll up inflatable let Paul know.

The sale supports their Ontario Sailing programs.

### THE GUARDIAN

The Colchester Guardian Rescue Inc. is a non-profit organization that provides a marine rescue service dedicated to saving lives and safe boating activities.

Their objectives are accomplished through the establishment of Canadian Coast Guard Auxiliary Unit #527 with a dedicated SAR vessel in Colchester Harbour.

The Guardian not only operates this SAR unit but their SAR Crew is also an active service club within the community.

With that in mind, Eric McCort, a crew member on Craig Canniff's boat, is again collecting beer and wine bottles/cans in support of The Guardian. Instead of putting them in the recycle boxes put them in the big cycle container at the end of the deck. Eric will collect and donate the refunds from these bottles/cans to The Guardian.

Additional cash donations would be gratefully accepted by contacting Eric @ [ericmccort@hotmail.com](mailto:ericmccort@hotmail.com).
